

BUSINESS PARTNERSHIP PROGRAM

Together, we create the extraordinary.

The North Atlanta High School (NAHS) Foundation Business Partnership Program allows supporters to partner with our school to create a strong, stimulating environment for all of our students. The Foundation supports approved needs that fall outside the APS budgeting process. From staffing to supplies; curriculum to athletics and the arts; teachers to students, the Foundation supports all facets of the North Atlanta experience. Thanks to the generosity of our community, the Foundation was able to fund almost 50 grants last year, making a positive difference in every aspect of our students' high school experience.

OTHER WAYS TO SUPPORT NORTH ATLANTA HIGH SCHOOL:

There are many other ways to support NAHS! Our school has a long tradition of generous community support. At NAHS, there are three charitable organizations—the Parent Teacher Student Association (PTSA), the NAHS Foundation and the Sports Booster Club—that work collaboratively to support students and faculty needs. Funds raised from this program support each of these vital NAHS entities.

If the Business Partnership program is not a match for you, please consider directly supporting the:

- Foundation Annual Fund
- Foundation Annual Auction
- PTSA Business Partner Program
- The Sports Booster Club

Funding opportunities are available at many levels of support, including in-kind donations. REGISTER: www.tbd.org.
